

nLogic Awarded \$25,000,000 Contract by Department of Interior

Information Technology Professional Services and Cybersecurity Services

Huntsville, AL (September 1, 2016) – nLogic awarded a \$25,000,000 ceiling, 5-year, Blanket Purchase Agreement (BPA) for the Department of the Interior (DOI) Office of the CIO to provide IT Professional Services and Cybersecurity Services supporting approximately 100,000 DOI end users at all DOI bureaus and offices. With teammate enGenius Consulting Group, we will be providing Cybersecurity Services including Continuous Diagnostics and Mitigation (CDM), Real Time Continuous Monitoring, Security Incident Response, and Security Incident and Event Management (SIEM) systems. This effort, based in Reston VA, will also involve work in Lakewood, CO and potentially other DOI sites.

nLogic is widely-recognized as a premier small-business provider of products/services to aerospace/defense customers including Army, Navy, Air Force, Special Operations, US Strategic Command, Missile Defense Agency, Defense Commissary Agency, NASA, US Department of Agriculture, and now US Department of Interior. Our employees bring state-of-the-art skills in systems engineering, modeling/simulation, software, test/evaluation, IT, cybersecurity, and logistics. Our footprint includes Alabama, Virginia, California, Alaska, Colorado, Texas, New Mexico, and Tennessee. Certifications: ISO 9001:2008, AS9100C, CMM-I-Level-2, NIST-800-171, and ITAR.
